## K-9 SPECIALIZED TRAINING & CONSULTING

### Trainer Opportunity Here:

K-9 Specialized Training and Consulting (K9STAC), Dave Dorn, along with other K-9 Industry professionals and experts in the field including Department of Defense Working Dog Certified Trainers, ALPHAK9, and the California Canine Training Center, is conducting a four (4) Week **Detection Dog Trainers Course**, here in California. (Many may have seen Dave at the K9 Seminars or read some of his articles in Law Enforcement K-9 Magazines, see his info at [www.k9stac.com](http://www.k9stac.com)).

Dates: Monday, March 3, 2014 through Friday, March 28, 2014, Monday through Friday, 0800-1700 hours, WILL include some Saturdays or Sundays!

The Trainers Course is structured toward the departmental trainer or professional trainer responsible for initial and on-going maintenance training of the dog teams at their agencies. Focus will be on utilizing methods to assist trainers in educating their K-9 Teams to reach a common and efficient goal. In this course it is **“you - the trainer”** performing the training under K9STAC guidance. Trainers will be walked through every aspect of Detection Dog Training methods from initial selection, preliminary shaping, to the detection dog final response.

- Each Trainer will be allowed to bring two K-9's for Training
- K-9s must have healthy and pass a (detection dog) selection test
- Each segment of the methods will be explained and experienced in detail with the trainer trainees performing the training responsibilities.
- Cost of course \$5000
- *Note: This is not necessarily a Handler Instructor Course, but a Canine Trainers Course*

### **K-9 Trainers Course - Detection Dog Trainer Training:**

- Review of Basic K-9 Training Theory, Methods and Techniques
- Review of Advanced K-9 Training Theory, Methods and Techniques
- Initial Selection Theory, Methods and Techniques of the Detection Dog
- K-9 Training Problem Solving
- K-9 Behavior and Learning
- K-9 Initial Odor Recognition & Search (including Building, Vehicles, Luggage/Parcel and Open Areas)
